

urban central heat

Supply

- Fischer-Tropsch
- H2 Electrolysis
- H2 Fuel Cell
- Sabatier
- methanolisation
- urban central air heat pump
- urban central gas CHP
- urban central gas CHP CC
- urban central gas boiler
- urban central resistive heater
- urban central solar thermal
- urban central solid biomass CHP
- urban central solid biomass CHP CC
- urban central water pits discharger
- urban central water tanks discharger

Consumption

- DAC
- low-temperature heat for industry
- urban central heat
- urban central heat vent
- urban central water pits charger
- urban central water tanks charger
